Barron's Regents Exams And Answers:Algebra 1

Synopsis

As of 2014, the New York State Algebra I curriculum is completely aligned with Common Core standards. This up-to-date book will prepare students for the new Algebra I (Common Core) Regents exam. It features: the first two actual Regents exams administered for the updated Algebra 1 course; all answers fully explained; comprehensive review questions, grouped by topic; study tips, test-taking strategies, score analysis charts, and more valuable features. Students will find a review of all pertinent math topics, including sets, algebraic language, linear equations and formulas, ratios, rates, and proportions, polynomials and factoring, radicals and right triangles, area and volume, quadratic and exponential functions, and much more. It's an essential, must-have guide to preparing for the Algebra I Regents.

Cant beat Barron's when it comes to studying for the various Regents exams

very helpfull

I recommend this for anyone who has regent coming up. This book is a lifesaver and helped me pass with a high grade. This book has formulas and tests with explanations for each answer.

Good

as advertized

I recommend this book 100%. There are many practice questions with detailed explanations for each. There are even some great tips to use for the exam. This is a must buy especially if you are taking the Algebra Regents!

Good tool for my algebra 1 students. Challenging enough and ties in to my curriculum.

Great price
