Shipping Weight: 14.1 ounces

Average Customer Review: 4.7 out of 5 stars 4 customer reviews

Best Sellers Rank: #1,760,101 in Books (See Top 100 in Books) #71 in [Books > Children's Books > Education & Reference > Foreign Language Learning > Japanese](#) #286 in [Books > Children's Books > Education & Reference > Reference > Dictionaries](#) #15265 in [Books > Reference > Dictionaries & Thesauruses](#)

## Customer Reviews

I have never believed that language can be learned by reading the equivalent of a word and memorizing it. The dictionary method just doesn't cut it for me, so I love this book. English words are listed in alphabetical order (between 5 and 7 per page) with the Japanese equivalent in Romaji and Hiragana or Katakana, as well as a nice illustration (ok, nice most of the time) to aid memory. It doesn't include all of the words that I would consider basic elements of a language, but it's a great start.

I've been studying for 3 months now and was afraid this impulse purchase (cover looks so cute) would be too easy and therefore a waste of \$\$\$\$. However in the first 5 minutes of flipping through this ... I've learned the words for "ladder" and "to carry" among others so my fears have been laid to rest. However it has only 500 words and does not include kanji ... so \$10 is pricey IMHO.

My daughter loves it.

its not bad for learning vocabulary.. the pictures are pretty good.. and whats really great is it uses kana.. all and all a cute book..
