One Direction are: Liam Payne, 20, Harry Styles, 19, Louis Tomlinson, 21, Niall Horan, 20, and Zayn Malik, 20. The band were formed in The X Factor's Bootcamp stage in 2010, and left the competition in its final round. They went on to break several records, top the charts internationally, and sell over 20 million records worldwide.

This is a great documentary and musical where you get to learn about the members in a really neat way. And the parents...the parents of these fast rising super stars say some pretty impactful things that get us parents thinking. I've got to say, I've never been a boy band fan, but when my daughter started liking these guys and I researched them out, I suddenly became one.

Bought this as a gift for my 12 year old daughter. She is obsessed with this boy band probably like all the other pre-teen and teenage girls. I could care less. She asked me if she could have this book so I bought it, gave it to her, and she loved it. Can't say anymore as I didn't read the book.

A great book for everybody no matter if you're a one direction fan or not. It has a great insight to who they are. Great quality pictures, it makes me feel as though I am looking at them in real life and not in a book. I also learned about some different cultures throughout the book because of how much they travel.

One Direction is a group that came and conquered the hearts, ears and minds of everyone. I am not their typical audience but I absolutely adore them! I have seen them in concert and they were phenomenal. When this book came out, I had already pre-ordered it and was waiting anxiously for it. It does not disappoint- the guys give you insight into their journey and you are privy to their insecurities, their hopes, fears and dreams. It is a well-written and honest book and it is for everyone who loves these five talented guys with big hearts. Get it!! You will be happy you did:)

One of the few books my son has ever read cover to cover. There must be something good about it.

Given as a gift- college kid loved it

My Grand Daughter is in HEAVEN
