Customer Reviews

With enticing titles such as "Savoring the Shore in Connecticut," "Flying High in Quechee," "Indian Summer in Kennebunkport," and "Stirring Things up at Sturbridge," *Away for the Weekend: New England* provides a full year's worth of weekend opportunities. Because she experienced the daunting feeling of wanting to "do it all" in New England without knowing where to start, author Eleanor Berman compiled this useful guide to help narrow down the choices: "The selections are admittedly personal, limited to locations and events I have visited and enjoyed, so not every single sightseeing attraction, lodging, or restaurant in each location is included. I've tried instead to pick only the best--places I've either been to myself or had recommended to me by local sources or frequent visitors." While she makes it clear that this is a guide devoted to destinations and events, Berman does list some of the special inns and dining places for each location covered. The seasonally inspired getaways are located in Massachusetts, Connecticut, Rhode Island, Vermont, New Hampshire, and Maine. In addition to an alphabetical index, the helpful category listing includes entries under headings such as "beaches and parks," "children's activities," and "historic

sites." Whether you have a weekend or longer, this book provides an excellent source of ideas for exploring New England. --Kathryn True

"Once again Globe Pequot makes finding a great bed-and-breakfast easy for travelers. These books are a gift of love and are full of all the specifics needed to make for a great weekend."--Pat Hardy, Co-Executive Director, Professional Association of Innkeepers International --This text refers to an out of print or unavailable edition of this title.
