Customer Reviews

This type of book makes reading with my son so much more interactive since there are pictures I can point to and he says what the picture is. It's like we're reading the story together. I will buy more of these types of books until he's reading on his own. It's so nice that he can really participate in reading the story.

OMG Oh my god darn it I like it cost

These are extremely delicate. You cant rough handle these but, they are so cute and quite unique.

My daughter and I enjoy them :-)

I liked It a lot it is fun and. The cartoon is funny and it is just great and funny

My 5 yr old loves all things Sponge Bob and likes this book. We're teaching him to read and so it seems adequate for this purpose.

Spongebob is always a winner! She was very delighted to get this book. I gave it as a Christmas gift

Gave as a gift for a Sponge Bob themed Birthday. Along w/ the Special Delivery book. Great gift, hope they enjoyed reading it.

This book is really cute. My 4 year old is learning to read, and it has really helped him. And he loves sponge Bob.
