The Falcon At The Portal

Synopsis

Join spunky Amelia and her charming family for a thrilling new archaeological adventure in Edwardian Egypt. Even on the joyous occasion of the marriage of their Egyptian "son" David to their beloved niece Lia, trouble finds Amelia and hunky hubby Emerson. And this time it is personal. In London, someone impersonating David is peddling high-quality fake antiquities, and soon the Emerson-Peabody home is burglarized. Once in Egypt, trouble only escalates as Amelia becomes a shooter's target, her son Ramses is implicated in a paternity scandal, and an American girl is found dead in the shaft of the pyramid they are excavating. When the family's impetuous ward Nefret disappears and comes back married, it takes all of their upper-crust British restraint to keep familial relations civil. Grand Master Elizabeth Peters once again delivers the delectable goods we have come to expect: beloved characters, an intriguing mystery, and alluring settings among the ruins. Romance and danger heighten the excitement, as does Barbara Rosenblat's narration, which is nothing short of perfection.

Ramses is implicated in a paternity scandal, and an American girl is found dead in the shaft of the pyramid they are excavating. When the family's impetuous ward Nefret disappears and comes back married, it takes all of their upper-crust British restraint to keep familial relations civil. Grand Master Elizabeth Peters once again delivers the delectable goods we have come to expect: beloved characters, an intriguing mystery, and alluring settings among the ruins. Romance and danger heighten the excitement, as does Barbara Rosenblat's narration, which is nothing short of perfection.

Love Amelia.

Unbelievable people, unbelievable situation, and unbelievable dialogue. This is the only Elizabeth Peters that I read. I believe it will be my last. As I said it is unbelievable. The basic story is of unrequited love and revenge in a more modern day Egypt. The people and situations are far from any reality and can not be related to.
