Dictionary Of The Bible

Synopsis

An excellent, single-volume Catholic dictionary of the Bible written by a respected Catholic Biblical scholar John L. McKenzie S. J. and originally published in 1965. Fr. John L. McKenzie, S.J., (1910-1991) was an acclaimed Catholic Scripture scholar who wrote numerous books and was the first Catholic scholar on the Divinity School faculty. He was at one time president of the Catholic Biblical Association of America and president of the Society of Biblical Literature. His Dictionary of the Bible is the best one-volume orthodox Catholic Bible dictionary available in the English language. It is an essential reference tool that should be on the shelf of every good Catholic library. A standard reference work, providing concise descriptions of biblical characters, terms, and places, as well as pertinent illustrations and charts, this is "one of the most up-to-date and reliable dictionaries of the Bible in any language." Magnificent in scholarship, ample in learning, frank and unhesitating in facing all the difficulties and problems, sympathetic with the varieties and diversities of other views. (Religious Education).

Customer Reviews

Great book for all Christians.. Various orders of priests devote themselves to different missions. Jesuits typically devote themselves to scholarship. This book is among the better I have read. Try it.

Excellent publication. I refer to it often, not just when reading the Bible, but when having Bible

discussions, and when reading spiritual books. Highly recommend!

I bought this book new. It arrived with the last page ripped out. The back of the book has a dirty spot on it.

This is so much more than the dictionaries I have used over the years. It gives detailed explanations of words and concepts that link those to other personalities or relationships and times, and not just a brief interpretation of a word. Very useful to connect and understand events and philosophies of both Old and New Testament times.

A good reference book to have to assist in a fuller understanding of the Bible. I found this book a very useful tool for helping me understand and participant in the bible study group that I attend.

The book is valuable for the classes that I am currently taking. There is more indepth information related to the topic that we are studying at the time.

Exactly what I expected

Great asset for my Bible studies! It is very concise and easy to use. I would recommend this to others. Thank you, Carol F. Raines
