This is a great little book with a lot of good information! I bought it because I am moving to the area and have found it really useful in getting to know my new surroundings.

Only thing better than this book is finding local facebook groups for hiking in the Springs.

Plenty of great short hikes near and around Colorado Springs. It's a small book easy to pack in my Roo bag for short hikes.

Exactly as described and expected!

We use this book all the time. We sometimes even carry it in the car.

What I was hoping for...not too much more though.

This book is insanely awesome. Breakdown of hikes by scenic/secluded/etc and has maps, length of hike times, and descriptions of each trail. This thing is a must have for residents.

I bought this item as a birthday gift for my brother who recently moved to Colorado Springs. He just called the other day and said it's the best gift he's ever gotten. He loves the hikes where he hardly sees anyone, and the ones he knows he would've never found had it not been for this book.
