A Dictionary Of Bible Types

Synopsis

Bible typology is the systematic classification of Bible terms, concepts, and people that have common characteristics or traits. A Dictionary of Bible Types examines over 1,000 types, shadows, signs, symbols, pictures, figures, and patterns in the Bible with topics ranging from "Aaron" to "Yoke." This useful resource for teachers, study groups, and pastors provides explanations for over 6,000 different Scripture passages.

- Examine the over 1,000 different types in over 6,000 different Bible passages.
- Learn new truths about the Bible that may have been hidden or unclear before.
- Discover how knowledge of certain traits and types can lead to understanding the Bible more deeply.

Customer Reviews

Not one page of appendix or directory of scripture reference. The words identified throughout the book refer to Scripture, ie. Cinnamon says Exo 30:23, but there is no directory at the book's end cross referencing same. Got it used, paid a lot, have better references.

This is not exactly what I expected and seems light on substance in some ways. But it still will be a decent resource on occasion.

Great book, very easy to read and a great study tool!!

perfect

I have this book for years and very pleased it was available for my device. The book is a guide that teaches you how to approach and understand Bible Types. It is most helpful in providing several verses and how a particular word are used. The author provided many words that you can build on. I didn't expect the author to provide every word I expect to be there. Like trumpet like someone mentioned, however in respect for the author many words can be looked up easily in a biblical concordance with self effort. It is beautifully done and truths are clearly discernable. To further complement the book I think the work invested in creating a tool for the rest of us should be clearly noted as a gift in our spiritual journey. The author made a wonderful contribution and I commend him for his work. Now I have it on my HDX and I am excited to read the whole book again also more accessible then carrying the book itself. Great book, you will gain much from it. Buy it you will be very pleased.

As one who spends hours (when available) studying the Bible, I must give this book five stars!!! Using this book as a reference tool will help you easily find yourself wrapped in the love of God through the love of Scripture.

I love this book. It is helping me with my studies in ministry. It was ion awesome condition, just as the publisher stated.

Very educational
