Georgia's Confederate Monuments And Cemeteries (GA) (Images Of America)

Synopsis

Confederate monuments and markers in cemeteries across Georgia are inscribed with a variety of dedications. Many offer a simple sentiment, such as "Our Confederate Dead, 1861-1865" or "Lest We Forget"; some present a more political statement "They Fought Not For Conquest, But For Liberty And Their Own Homes"; some have long soliloquies of prose or poetry; and others feature lists of names of individuals or units that served. *Georgia's Confederate Monuments and Cemeteries* features vintage images of soldiers, sailors, and the many different types of monuments erected throughout the state to honor them. These monuments of stone, marble, granite, and bronze recognize the sacrifice of those who served Georgia in the War Between the States. Various memorial associations and organizations, survivors, and descendants of these men and women built lasting tributes to them, and each has a story to tell.

Dr. David N. Wiggins, the author of *Carroll and Haralson Counties in Vintage Postcards and Remembering Georgia's Confederates*, has compiled this pictorial tribute to the memory of Georgians who represented his beloved home state while in the service of the Confederate States of America. The author presents what he believes to be the most complete listing of Georgia Confederate monuments and cemeteries published to date and shares many images previously unpublished.

I had been meaning to get this book for quite awhile since I am a big Civil War buff from Georgia and it had been in my Save for Later cart for the past few months. Price was a higher than I liked but sometimes you have to spend some money to get a good deal and this was one of them.

Along with the images of young soldiers staring at us through the veil of time we are given images of monuments and cemeteries when they, like the soldiers they honor, were young. Most of these statues and obelisks are still standing, still honoring the Confederate soldier, though now aged with a patina that only time can create. Dr. Wiggins has gone to enormous lengths to capture for all time the unique tributes Georgia has made to its soldiers of long ago. Hugh T. Harrington author of: "Civil War Milledgeville, Tales From the Confederate Capital of Georgia," "Remembering Milledgeville, Historic Tales From Georgia's Antebellum Capital" and "More Milledgeville Memories."
