Wisconsin: A Photographic Tour (Photographic Tour (Random House))

Synopsis

Wisconsin, the perfect state? Regarded primarily as the beer and cheese capital of the United States and the home of the legendary football team the Green Bay Packers, many outsiders might question that claim. Of course, natives take it for granted. In *Wisconsin: A Photographic Tour*, noted photographer Carol M. Highsmith and the distinguished writer Ted Landphair prove that "The Badger State" is more than beer and bratwurst. With more than fourteen thousand lakes and stunning natural landscapes, Wisconsin is a vacationer's paradise. Nature lovers, bicyclists, fishermen, hunters, skiers, and boaters converge yearly to take pleasure in the pristine beauty of the state's natural wonders. From windsurfing on Lake Mendota to bicycling through Sparta to spearfishing for sturgeon on Lake Winnebago, Wisconsin offers a seemingly endless variety of outdoor relaxation. But the state can hardly be stereotyped merely as an open-air playground. Wisconsin's most famous tourist attraction is the House on the Rock, a curious architectural spectacle perched high above Wyoming Valley. Another structural wonder awaits in Spring Green at Taliesin, the house of one of the state's most famous residents, Frank Lloyd Wright, America's greatest architect. In Milwaukee, one can tour the city's illustrious mansions or attend the renowned Great Circus Parade, which takes place each July. In Madison, one will find the state capitol and the University of Wisconsin—one of America's finest colleges. With its striking photos and insightful text, *Wisconsin: A Photographic Tour* brings this picturesque region vividly to life. It makes an excellent gift for anyone who has visited or wants to visit this incomparable state.

Book Information

Series: Photographic Tour (Random House)

Hardcover: 128 pages

Publisher: Crescent (September 1, 1998)

Language: English

ISBN-10: 051720181X

ISBN-13: 978-0517201817

Product Dimensions: 9.3 x 0.5 x 12.2 inches

Shipping Weight: 1.9 pounds

Average Customer Review: 1.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,911,818 in Books (See Top 100 in Books) #95 in [Books > Travel > United States > Wisconsin > General](#) #3125 in [Books > Travel > United States > Midwest](#) #10681 in [Books > Travel > Pictorial](#)

This book has mostly writing and not many pictures of places I longed to see when I was reading the book. It came looking brand new but I wish it had pictures of lots more neat places.
