Concord Cunningham The Scripture Sleuth (Concord Cunningham Mysteries (Paperback))

Synopsis

It has been said that one can find the answers to all of life's mysteries in the Bible. The Word of God is sufficient to meet all our needs. Finding the answers requires at least a basic knowledge of the Bible. The concordance is a topical index of key words that lead a scholar to appropriate Bible verses. It is a valuable tool to finding answers in the Word of God. Concord Cunningham is a boy who has discovered this tool and uses it to solve mysteries in his community. His success brings him acclaim, and a reputation as a Scripture Sleuth. Readers will be challenged to solve the mysteries without the advantage of a concordance, but Concord Cunningham will reveal the source of the answer in Scripture. This is the first of a series.

Book Information

Series: Concord Cunningham Mysteries (Paperback)

Paperback: 95 pages

Publisher: Focus Publishing (MN) (September 1, 1999)

Age Range: 8 - 11 years

Grade Level: 4 - 6

Customer Reviews

This is a fun book. Seems this age group gets mainly mystery books and that's great to keep their minds searching, figuring out and stretching. This is fun because it makes my kid pick up his Bible on his own and figure stuff out. I would buy this again for other kids at church.

My son and daughter love these books! My son is 9 yrs old and I had to get the rest of the series for him!!

My 9 year old son loved these books. He doesn't like to read much, but he kept asking for these.

Genius idea, fun, easy to read. We enjoyed this first book. Looking forward to reading the next books. I inadvertently gave a review for #3 which I have not read yet. It should have been for #1.

I read about this book in a homeschooling magazine and decided to buy it because we needed more stories to read aloud that had definite morals to them. We have read the first chapter and my son, age 8, is hooked already. He enjoyed reading Encyclopedia Brown last fall and this book is similar in format in that you have a complete mystery and resolution in each chapter. However each mystery comes with a Bible verse to help you solve it. My son sat with his Bible open on his lap while I read the story and he looked up the verse and then tried to figure out the solution. I'm thankful for any book that can get my kids interested in reading AND give them opportunity to become more familiar with their Bibles!

My third grader enjoyed reading this book. It reminded me of the Encyclopedia Brown series, with short mysteries and the solutions to them in the back.

Well written and illustrated. Comprehensive. Quality literature. A classic book to save and read again and again. Excellent for teaching.

Love this series. It helped me see that the bible can be trusted to know answers to every situation.
