Book by HOUGHTON MIFFLIN

I'm very pleased with the Houghton Mifflin Social Studies Curriculum. The information is broken down into sections that can easily be reviewed for test taking reasons.

I love this workbook for my 3rd grade child I am homeschooling. It is like worksheets for her to review what she has read with the page numbers at the bottom. Came in great condition (I would say like new condition) and was mailed from Alphabookworks. :)

Very boring.Didn't liked it.

Thanks!

This workbook was torn up at the top of each and could not use it to make copies for my social studies classes.
