Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This volume (and the others, which I own) contains a pretty good mix of songs and artists. This isn't a "Best Of" compilation, so you are going to see some B-side songs you won't be familiar with. But there are enough classics to keep you happy. I checked out Youtube clips for some that didn't receive air play in my youth, and found that I liked them and have some new favorites. The tabs are pretty accurate. Purists will complain that they don't match how it was played on one album or another, or in a live performance, but the artists themselves never played it the same way twice either (how many takes do they record in the studio before deciding which to put on the album?). You will enjoy this and the other volumes, and it is a good value for the number of songs you get.

So many songs! And they are written exactly as they sound. So happy with these books!

Hal Leonard's Guitar Tab White Pages collection is an excellent value for the discerning guitarist looking for quality tab of the songs most know and love. I would strongly recommend this series to any serious musician.

It is a great way to add songs to my set list. Over 150 songs for 20 dollars is a deal. Guitar tabs applications are getting better. My only complaint is the overlap between the acoustic and the volumes 1 through 4.

Great product, quick delivery!

I like all these Guitar Tab White Pages - just so much for so little. They seem to be the original published sheet music. Saves getting almost right ones from the various tab sites.

Accurate TABs - especially useful if you are trying to learn to read advanced music and still need a little pictorial help.

I sent it to a friend who is incarcerated and he loves it uses it every day.
