The Daily Telegraph

John Finnemore is a British comedy writer and actor, best known for his radio sitcom Cabin Pressure and his radio sketch show John Finnemore's Souvenir Programme, as well as for frequent appearances on other BBC Radio 4 comedy shows such as The Now Show. Cabin Pressure is a Pozzitive production, produced by David Tyler. His radio credits include Armando Iannucci's *Charm Offensive*, Cabin Pressure, Bigipedia, Kevin Eldon Will See You Now, Another Case Of Milton Jones, Jeremy Hardy Speaks To The Nation, The Brig Society, My First Planet, Giles Wemmbley Hogg Goes Off, The 99p Challenge, The Castle, The 3rd Degree and even, going back a bit, Radio Active. His TV credits include Paul Merton's *The Series*,

Spitting Image, Absolutely, The Paul & Pauline Calf Video Diaries, Coogan's Run, The Tony Ferrino Phenomenon and exec producing Victoria Wood's dinnerladies.

Up to John Finnemore's usual standard. The Souvenir Program radio show consists of short skits, and this one includes a Christmas special. It played on BBC 4 radio at the end of last year (2016) into early this year. I admit that I wasn't patient enough to wait for it to come out on CD, so listened to the radio show online through the BBC website. The only downside is that this is on CD, whereas most of the audio materials I am listening to these days (aside from radio shows on the BBC website) are on Audible (so that I can listen to it via my phone rather than having to wait until I am driving since my car is the only CD player I still have).
