# The Dinner Plan: Simple Weeknight Recipes And Strategies For Every Schedule

## Synopsis

From the authors of the IACP award-winning cookbook *KEEPERS*, an entirely new and personalized approach to tackling the dinner dilemma: Between juggling work, family activities, mismatched schedules, and often bare refrigerators, there are all sorts of situations that make weeknight cooking a universally challenging experience. *The Dinner Plan* offers five meal strategies—Make-Ahead, Staggered, One-Dish, Extra-Fast, and Pantry—that will help get dinner on the table no matter what the workweek throws at you. The 135 recipes—from main dishes to sides to salads and “lifesaver” condiments—provide lots of practical options whether time is super-tight, you haven’t had a chance to run to the store, or everyone is coming home at a different time. And most importantly, all of the recipes are “keepers”—brag-worthy, reliable, crowd-pleasing preparations that you’ll confidently turn to again and again. Shrimp Scampi, Sheet-Pan Chicken Fajitas, Foolproof Carbonara, and Mexican Skillet Lasagna are just a few examples of doable recipes that will earn their place in any busy cook’s repertoire. Rounded out with plenty of tips and a bonus section on healthful snacks called The Forgotten Meal, *The Dinner Plan* is every home cook’s indispensable weeknight dinner guide.
