One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.

I'm a huge fan of Tom Tierney and this book does not disappoint!

While I am not familiar with Alexander McQueens fashions or fashion shows, this paper doll set

makes his stunning, innovative, and lavish fashion collections come alive and includes interesting bits of information as well as a background in the style of McQueen. Having seen Sarah Burton's wedding dress for Kate Middleton (she's from Alexander McQueen's fashion house), I'd say he's a master to be immortalized. Vivat for Tom Tierney's rendition of Mr. McQueen's fashions!

Cute and great McQueen fashions!

My students love to see the fashions and cut them out to mix and match! Quality fashion for little girls!

A classic for my fashion collection.

Very much enjoyed receiving this book of McQueen fashions. Very good representation of his work in the intriguing form of paper dolls.

This was THE hit gift at my friend's birthday party. Definitely not for those who hate whimsy and kitsch.

My daughter (age 9) absolutely fell in love with Alexander McQueen's designs when we visited the Museum at FIT in NYC. I thought this book would be great for her, but the drawings just don't do the dresses justice. I almost would have preferred a more stylized approach, something more like a fashion drawing. I still give it 3 stars because my daughter will probably still enjoy the book regardless.
