Customer Reviews

Roger Priddy's passion for educating children through fun, informative and engaging books has led him to create some of publishing's most enduring and successful nonfiction early learning books. Roger lives in London and has three children, who have been the inspiration behind many of his best publishing ideas.

I like the theme groupings in this real picture book. We also own the First 100 Words by the same series which I don't like as much because the pictures seem much more random.
