## Customer Reviews

Kathleen J. Whaley is the editor of Southern Lady Magazine and editor of Christmas with Southern Lady.

Good informative book--beautiful pictures and good ideas

What a lovely book. I especially enjoyed the work of Eric Ross of Eric Ross Interiors. I need to see some more of this exceptional talent.

My wife loved it.

Beautiful southern homes.

This book is totally unremarkable. The interiors shown are ho-hum, nothing particularly interesting and I returned the book the day it arrived.

Southern Spaces is a beautifully curated collection of both quintessential and interesting southern homes. A great resource for someone looking for something classically southern with a updated feel. I loved the organization (by rooms) and layout.
