The Art Of The Contemporary Doll

Synopsis

More than 220 color photos, together with descriptions of over fifty dollmakers' richly varied works and techniques, make up this fascinating overview of the state of the dollmaking art right now. The diverse range of designs, styles and media from plastic to wood, metal to found objects serves as an inspiration, a reference, and a summary of the dollmaking world in the early 21st century. The doll artists featured, working across the U.S. and the world, share personal insights about their own experiences with the creative process. They also discuss challenges of aspects like facial detail and expression, material integrity and longevity, embellishments, and construction. For designers, artists, craftspeople, and others, this breathtaking summary captures and reveals today's dollmaking art.

art.

Sandra Korinchak is an editor and writer with twenty years of experience in the subject areas of crafts, how-to, and art.

It is a very nice book with lots of Contemporary dolls (as the title says). Not a lot in Cloth Art dolls and those included although beautiful, were not recent creations and that disappointed me. I still think the non-cloth creations were quite lovely and will keep the book,

It was everything I had expected and hoped for. Great inspiration for aspiring doll makers. It doesn't give tips, instructions etc for those hoping for techniques. There are other great books out there for that.

This is a great coffee table book but I was hoping for a little information and inspiration and not just pretty pictures. My expectations were rather high and this book did not meet them.

I am enjoying the book the photography is wonderful. Well designed and layout makes it easy to read and understand

Beautiful book. Showcases the work of modern doll artists. Fantastic pictures, wonderful variety of styles.

This is a quality publication. Although it's not what I anticipated, I am keeping the book.

Beautiful dolls.

very cool and great price
