Customer Reviews

Chilton offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

An outstanding publication, highly recommend if you want to repair your vehicle and save \$.

Book does not cover 2007 issues very well, it is a bit broad for 2002-2008. Get what you pay for I guess.

It's a truck book, what can I say.

It's no factory shop manual but it's good and cheap. Made the mistake of buying both a Chilton and Haynes. They are almost word for word and picture for picture. I think they just put different covers on them at the same printer. Gotta have one, just buy whatever is cheapest or easiest

Great product

HAS VERY LITTLE ON 2006 ,IT NOT WORTH THE \$

Got an almost new pb Chilton manual. Not a shabby price, but was rather disappointed by the lack of some of the most common issues found in the Dodge Dakota SLT trucks.

Found The way to Replace Brake lamp.
