Vogue Living: Country, City, Coast

Synopsis

The next collection of all-new beautiful houses and gardens that have appeared in the pages of Vogue over the last decade, with more than 400 full-color photographs. Lavishly illustrated in full color, *Vogue Living: City, Country, by the Sea* is an irresistible voyage through some of the world's most beautiful and private gardens and interiors to be published as a book for the first time. Here is Tory Burch in Southampton, India Jane Birley in Marrakesh, Aerin Lauder in Aspen, David and Elizabeth Netto in Los Angeles, Stella McCartney in Scotland, Dries van Noten in Belgium, Karl Lagerfeld in Paris, Philip Taaffe in New York, Adam Lindemann and Amalia Dayan in Montauk, Dolce & Gabbana in Italy, and many more. These glamorous houses and gardens--whose owners come from the worlds of fashion, art, architecture, and design--have been photographed by such celebrated photographers as Oberto Gili, François Halard, Mario Testino and Bruce Weber; with accompanying stories by Hamish Bowles, Plum Sykes, and Chloe Malle among many others. This book is not only rich in ideas for the layman but a resource for designers, architects, and landscape architects as well.
