Fashions Of The Old South Coloring Book (Dover Fashion Coloring Book)

Synopsis

In the years shortly before the Civil War, many Southern plantation owners and their families "summered" in the cooler climate of the northern states, often along the New England coast. These journeys frequently included side trips to New York, Boston, or Philadelphia to replenish the family's wardrobes with the latest fashions. The particularly wealthy occasionally went to Europe, returning home with stylish apparel from London or Paris. Clothing worn during this period by members of antebellum society conveyed a distinct glamor and elegance. Tom Tierney captures the fine details of authentic garments in 29 ready-to-color illustrations. Included are walking costumes, evening gowns, morning and afternoon dresses, and wedding apparel for women, as well as suits, vests, trousers, and handsome military uniforms for the men. Descriptive captions accompany illustrations in an attractive coloring book that will not only please coloring book fans, but will also be of use to costume historians and designers.

Customer Reviews

One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr.

Tierney's books are famous for being carefully researched and meticulously rendered. His releases

are prized by fashion professionals, collectors, and paper doll lovers all over the world.

I am a big fan of Tom Tierney's books. This one has a lot of background in it as well as the fashions of that period. He draws both male and female and always writes a little paragraph or two about the clothing depicted. They are great coloring books to daydream while your coloring and picturing yourself in the very same gown in your favorite color.

Was disappointed with all of the one's like this one because there's pictures on both sides of the paper and I like to do mine in Gel pens and markers and you can't on these because they bleed through and I don't like to use pencils that

much!ÃfÂ Ã Å,Ã ÆœÃ Â©ÃfÂ Ã Å,Ã ÆœÃ Â©ÃfÂ Ã Å,Ã ÆœÃ Â©ÃfÂ Ã Å,Ã ÆœÃ Â©ÃfÂ

Paper was not very good for coloring. The markers I used came through on other side and messed other side up. I finally put it away and started on another adult coloring book.

Not happy. It's already shaded for you and looks like you're coloring a story. Dress is for appropriate time period.

Paper is too thin. Pens bleed through. Was very disappointed with this purchase.

THE PICTURES OF THE FASHIONS FROM ANTEBELLUM DAYS ARE SO PRETTY AND SO FANCY. THEY ARE A REAL BLAST TO COLOR. IM SURE GLAD WE DONT STILL WEAR ALL OF THESE CLOTHES--ESPECIALLY DURING HOT SUMMER DAYS. WHEW!!!! DONT KNOW HOW THESE LADIES SURVIVED THESE FASHIONS!!!!

Tom Tierney does a great job with his books. He does the research for me when it comes to costume design for stage productions.

Haven't seen this as it was a gift for my Great Granddaughter but she likes it and I am happy with that. Love the Tom Tierney's design's.
