Customer Reviews

Gilbert Morris is one of today's best-known Christian novelists, specializing in historical fiction. His best-selling works include *Edge of Honor* (winner of a Christy Award in 2001), *Jacob's Way*, *The Spider Catcher*, the *House of Winslow* series, the *Appomattox* series, and *The Wakefield Saga*. He lives in Gulf Shores, Alabama with his wife, Johnnie.

This is the third book in the series. Gilbert Morris always tells a good story with historical accuracy applying the characters he created in an appropriate way. All three books were entertaining.

GREAT

If you liked the first two, you'll like this final part of the trilogy. This trilogy is very similar to the "These is My Words" trilogy; I probably liked the other better, but this was a very satisfying end to the love story of Clay and Jerusalem. Easy read and good enough that you always wanted more after deciding "I'll go to bed after this chapter"...

Very good book. It shows what can be done without all the obscenity and sex. Humorous in places and heart rending in other places. It was very easy to get involved with the lives of the people in this book. A very good clean read.

True to Gilbert Morris this whole series was a wonderful, exciting early western history, read. I am a true Morris fan. He is great whatever you read. He wrote a book a month for 20 years and never lost quality.

I have already read all of the books in this series and I just had to have them and I am so grateful I was able to find this one in such excellent condition and that it arrived in a safe and timely manner. Thank you so much for working so hard and having the book I needed.

Loved it.

Texas is a mystique, and Gilbert Morris has become a favorite author. However, having lived half my long life in Texas it was uncomfortable to see the geographic confusions and historical short-comings in this series.
