This was the most!!! Confusing purchase I have ever done it automatically picked the kindle version and I can't even use this so now I have to spend more money to buy another version

Not a very good intermediate book. Search elsewhere.

Great little program would like to see book 3

Good book but It didnt have tabs so it sits on the shelf collecting dust. I didnt get cd either but that happens when not advertised correctly. Another donation here...

I'm a guitar teacher who has been using this series of books for years.Why? They're user friendly, kids and adults love them, and they teach all the essentials needed to learn guitar in a well organized fashion.I'd recommend them to anyone.

Great Book for learning guitar Any level player from Beginner on to Advanced can gain insight and accomplish their musical abilities.
