Health & Power: Learn How To Delete Illness, Pain And Suffering Using Key Energy Testing Tools To Discover The Facts From Your Own Body.

Synopsis

Andrea Banks found that the truth really can set you free, and that is especially true of illness. After finding no success with conventional medicine, and becoming her own Medical Detective, she found her biggest “aha” moment when she discovered that the truth was not linear but holographic. She also found that the body never lies. Using Energy Testing truth tools that answer all her health questions, Banks has moved straight into recovery from Lyme Disease she contracted as a little girl in New Jersey, which was finally diagnosed correctly through her purchase of a Biofeedback Machine based on Quantum Physics. The author introduces important and influential healers including doctors and inventors, and even a thirty-fifth generation Shaolin Kung Fu grand master. Their combined knowledge will show you potent new healing paths on many levels, as the author tells how each one helped her recovery. In *HEALTH & POWER*, Banks outlines the discoveries she made, techniques, natural treatments, and other information that will help you make informed choices about your health and approach your medical problems with all the facts. Using these tools for your own recovery will bring back your power and improve your self-confidence because you have found the truth using Energy testing. Learn about the “map of consciousness,” Kinesiology, Dowsing, the Yuen Method, the SCIO Biofeedback Machine, and Syncrometers. With these instruments and new healing techniques, you can take charge of your own medical diagnosis and prognosis.

Andrea Smith Banks, BFA, has had many different careers in New York City and Las Vegas, Nevada. She worked as a model, Playboy Bunny, Realtor, lifelong student, businesswoman, commercial real estate owner, and professional artist. She has travelled extensively and lived in Athens, Greece, for three years, did graduate work at the Instituto Allende in San Miguel de Allende, Mexico, for three years, and lived in San Francisco, California. After selling her Las Vegas properties, and reinvesting in commercial real estate in Arizona, Banks's health took a dramatic dive. She began feeling like the "walking dead" as bouts of chronic fatigue and illness riddled her life for the next ten years and no doctors could find the cause. Banks purchased the EPFX/SCIO Biofeedback Machine based on Quantum Physics. Through it, she learned she'd had Lyme disease and its coinfections since she was a little girl. Now in her fifties, Banks educated herself about Lyme disease at a time when it was still relatively unresearched. Her first hand discoveries of healing tools for the last fifteen years led to her own dramatic recovery and the spiritual path she shares with you now. Her desire to help others through her personal knowledge of the recovery from chronic illness is inside this book, so you can fast track your recovery. You won't find like information elsewhere because Banks designed hers one step at a time as she learned how Energy works, and Energy Healing, and read hundreds of books. Her power returned as she took her health back, and her self-confidence sky rocketed because she had the Truth Tools to rely on now and forever, and so will you.
