Customer Reviews

I bought a new smoker and am a complete newbie so was looking for ideas. This book was free, so what the heck; I'll give it a try. Well, it certainly has a English-as-a-second-language flavor to it, which, you have to admit, is a bit humorous since Masterbuilt Smokers are made in the US. They also come with very limited instructions and no recipes, so this seemed a reasonable place to start. Reading it cover to cover took me about a half hour, so the "Ultimate" in it's name is an

exaggeration, but you really knew that already, right? It does include recipes for poultry, fish, pork and beef so can offer a spring-board for folks like me, just getting started. Some recipes, such as The Pip Stuffed Burger and Smoke Cheeseburger Fatty are a complete loss for me I believe due to some language issues in the instructions. Well, who wants to eat a Fatty anyhow? It doesn't sound very healthy. The Poor Man's Burnt Ends sound very easy and delicious; I look forward to trying that recipe soon. Perhaps the name could use some work, but the recipe sounds yummy. I am glad it includes some salmon and trout recipe and look forward to trying one of those or using one as a starting point. So, while writing the review, I ended up adding a star because despite some glaring language issues, if you can use a few recipes out of a free book, that's pretty good isn't it? I'm sure an editor could work on my reviews as well. (Just ask my son, the English Major!)

Lots of good recipes in this cookbook. Simply looking the pages will get you hungry. It likewise has a decent wide range of foods you can smoke. If you are a beginner to smoking, this is anything but difficult to utilize and everything is very great. The recipes sound great and there is a long list of recipes from meat to pork to fish and chicken, even pastries and fish. Bit toward the day's end if you need to figure out how to smoke the right way it is a decent read. Grab your copy and make new meals...!

I love cooking outside, having friends and family over and love great tasting food, then this cookbook is for you. The Masterbuilt Smoker Cookbook is designed to help you get the most out of summer by giving you the low down on the Masterbuilt Smoker range, showing you the benefits of it, how to get the best out of your Masterbuilt Smoker and most of the the recipes. There's something about the smell of the food as you cook that makes it so appealing.

Heavenly formulas! This book encourages me figure out how to get the best out of my Masterbuilt Smoker. It demonstrated to me the advantages of it and the most ideal approaches to administer to it. With handfuls and many extraordinary tasting and luscious formulas. I so adore it. This is greatly useful for people who cherish getting loved ones together and treating them to something top notch.

I like smoking meat so much, but this is not a type of dish that you can easily make at home without any knowledge. And this is one of books which can help you with it. You will find an explanation of

different smoking methods and differences of them and you will find your way to smoking meat. Also very good and tasty recipes that you definitely should try if you like smoking meat.

I find this book very informative, and healthy for all the people who want to know about Masterbuilt Smoker. This book provide good advises and tips about simple and delicious electric smoker recipes for my whole family. I like how the book is written in a very practical way. The author make sure that the readers can understand every details of this book. Thanks to James Houck for this great book. All recipes are very healthy and easy to cook. The book is worthy of attention!

Delicious recipes! This book helps me learn how to get the best out of my Masterbuilt Smoker. It showed me the benefits of it and the best ways to care for it. With dozens and dozens of great tasting and scrumptious recipes. I so love it. This id ls extremely good for persons who love getting friends and family together and treating them to something tasty.

I bought a new smoker and am a complete newbie so was looking for ideas. The Masterbuilt Smoker Cookbook is designed to help you get the most out of summer by giving you the low down on the Masterbuilt Smoker range. This book allot of a mouthwatering recipe that you will surely love. Great explanation of the types of smokers and their uses.
