Baby Touch And Feel: Puppies (Baby Touch & Feel)

Synopsis

Meet and pet playful puppies in Baby Touch and Feel: Puppies. Filled with real-life photographs of all kinds of puppies, with touch and feel textures that babies can stroke, tickle, and touch, this is the perfect book to encourage tiny fingers to explore and to help develop fine motor skills while building an early learning foundation with clearly labeled pictures. With padded covers, simple images, and an amazing range of novelty textures, Baby Touch and Feel books capture the attention of the very youngest children and create an experience they'll want to repeat again and again. Baby Touch and Feel books are the perfect series for the very youngest readers. These small, padded books excite babies and toddlers with their foil and touch-and-feel covers. Each book in this affordable series contains twelve vibrant interior pages with bold, engaging images. Containing large word labels, each page has foil or glitter to behold or a tantalizing texture to touch. These safe novelty textures immediately intrigue babies and are perfect for little fingers to feel. The Baby Touch and Feel series encourages sensory development, language skills, and early reading skills while teaching colors, shapes, patterns, and opposites.

Customer Reviews

I purchased a bunch of these books for my foster daughter, as she was so intrigued with one that we got from her doctor's office. They are our go-to books for nighttime and long car rides. If there is one

slight downside, she thinks that all board books are touch-feel books. She's constantly scratching and running her fingers over the illustrations of other books. It's pretty adorable. =)
