## **Customer Reviews**

This is the perfect wall calendar for our kitchen. We've been buying the annual editions of it for 25 years or more, and every year the photos are great. Also, the box for each day is large enough to permit writing reminders, appointments, etc. High-quality paper and print., too.

Best Calendar ever. We have been getting this calendar for years and love them.

Love it! Beautiful photos and the spiral binding is a plus. So happy I bought this calendar....purchased the AZ Highways calendars years ago and had gone away from them in favor of various other designs, so glad I 'went back' to this calendar....its great!

Presently living in the East, the beautiful photos of my homeland, captured by Arizona Highways not only brings happy memories but also reveals God's creative artistry as opposed to a hot and barren wasteland.

Great calendar! We get these calendars for ourselves as well as for our relatives who live out-of-state. They are easy to ship and the ones we send them to say they love them and enjoy the Great Pictures.

We buy one every year. My wife and I both grew up in Tucson, so this gives us a little taste of "home", no matter where we live.

I get this calendar every year. It is as functional as it is beautiful, and it helps alleviate some of the homesickness I feel for AZ.

This was a gift for my daughter in Illinois... She grew up in Phoenix and she loves anything that reminds her of home....
