The Pioneer Woman Cooks: Recipes From An Accidental Country Girl

Synopsis

My name is Ree. Some folks know me as "The Pioneer Woman." After years of living in Los Angeles, I made a pit stop in my hometown in Oklahoma on the way to a new, exciting life in Chicago. It was during my stay at home that I met Marlboro Man, a mysterious cowboy with steely blue eyes and a muscular, work-honed body. A strict vegetarian, I fell hard and fast, and before I knew it we were married and living on his ranch in the middle of nowhere, taking care of animals, and managing a brood of four young children. I had no idea how I'd wound up there, but I knew it was exactly where I belonged. The Pioneer Woman Cooks is a homespun collection of photography, rural stories, and scrumptious recipes that have defined my experience in the country. I share many of the delicious cowboy-tested recipes I've learned to make during my years as an accidental ranch wife—including Rib-Eye Steak with Whiskey Cream Sauce, Lasagna, Fried Chicken, Patsy's Blackberry Cobbler, and Cinnamon Rolls—not to mention several "cowgirl-friendly" dishes, such as Sherried Tomato Soup, Olive Cheese Bread, and CrÃfËtme BrÃfâ e. I show my recipes in full color, step-by-step detail, so it's as easy as pie to follow along. You'll also find colorful images of rural life: cows, horses, country kids, and plenty of chaps-wearing cowboys. I hope you get a kick out of this book of mine. I hope it makes you smile. I hope the recipes bring you recognition, accolades, and marriage proposals. And I hope it encourages even the most harried urban cook to slow down, relish the joys of family, nature, and great food, and enjoy life.

Customer Reviews

Blogger-turned-author Drummond gives readers a slice of frontier life in this likeable-enough

collection of recipes and dispatches from the Oklahoma ranch she shares with her husband and children. Replicating the step-by-step photography that made her blog such a hit, Drummond walks readers through dishes ranging from simple-Guacamole, Chili, Artichoke Dip-to more complex, such as from-scratch Cinnamon Rolls and Sherried Tomato Soup. Drummond's careful coaching will help anyone intimidated by the kitchen fearlessly crank out favorites like Chicken Fried Steak, Meat Loaf and Rib Eye Steak with Whiskey Cream Sauce. While the recipes are reliable home cooking standards, relentless references to her husband, known as the Marlboro Man, range from distracting to juvenile, giving what could have been a comfort food classic the feel of a junior-high class project. As a portrait of a real American family kitchen, it works.” (New York Times)“Drummond invites fans into her world with irresistible recipes and photos. Here’s a mom of four who can turn out a Perfect Pot Roast and make feasts for girlfriends that start with sangria and finish with crème brûlée. It’s sweet and seductive: You’ll want to plunge right in.” (People)“Jokey and irresistible. Drummond’s appreciation for something as simple as well-made pico de gallo is infectious. Such attentiveness to basic cooking skills makes the book entertaining and useful.” (New York Times Gift Guide)“Who needs Julia Child? I’ve got Pioneer Woman.” (Baltimore Sun)“Drummond’s writing style is closer to a good friend dishing out advice than an expert telling people what to do.” (Denver Daily News)“[Ree Drummond] whips up mouthwatering meals with easy-to-find ingredients (she’s miles away from restaurants and supermarkets) and shares what living in a not-so-little house on the prairie is really all about.” (People)

I’m a big fan of Ree Drummond. Her recipes are simple and delicious. They are good for the accomplished cook and the novice. And like she says, they’re good for kids and the cowboys in your life.

This is my kind of cookbook. I LOVE pictures. There are few cookbooks that have step-by-step pictures out there so I was grateful this has so many images of what my food is supposed to look like. I will buy more of her books in the future!

This was a great addition to my cook books. I love that her recipes don't call for odd ingredients that I would never have and I love her easy to follow directions.

Excellent...Pictures of food bring prepared, easy to follow directions. This book is just perfect! I have too many good things to say about it. Recipes we've tried so far, turn out Wonderful. Looking forward to the rest.

we love her recipes (or most of them) great delivery from dealer easy deal

I love everything about this cookbook. Real recipes with pictures in the instructions. I even love the farm photos.

Love this cookbook. Step by step instructions, pictures, and stories that keep it interesting. Also the recipes are delicious and down home.

I grew up in Louisiana where cooking is part of the culture and Mama's teach their kids to cook by the time they are 10. It worked because my big ole' boys and their families can't wait to come to my home for a special meal! So, I am always looking for new, southern recipes that I can replicate and add to the family favorites. I recently started watching "The Pioneer Women" cooking show on television and was drawn to the delicious, easy to prepare recipes that people in my circle of friends will love. I find the show to be enjoyable and this book with the recipes and family stories a real treasure. The concept of living in the country, raising kids and cooking delicious meals while feeding baby calves is reminiscent of too many days gone by. I highly recommend this book for anyone, from beginner to experienced cooks, who wants a step by step guide for making family pleasing meals. Thank you Ree for proving that good country meals do not have to be a thing of the past. Oh, I also volunteer to be your behind the scene assistant, if you'll let me lick the spoons!
