TIM FEDERLE's bestselling cocktail recipe books include Tequila Mockingbird and Gone with the Gin. He lives and drinks in New York City.

Very clever, funny book. The perfect gift for an english major or book lover! Haven't actually tried the drink recipes in it, but the descriptions and titles are clever enough it's enjoyable to flip through so whether or not you use it, it's a cute coffee table book!

Bought as a gift for my coworker who is an English teacher. If you know anything about English teachers, then you know they love literature and they love to drink.

I LOVE THIS BOOK!!! I can not say it enough this is just a delightful read even if you aren't a big drinker it's so easy to appreciate the novelty of it. Plus if you are a drinker some of these drinks are legit.

I bought this for a friend who is a professor and a mixed drink lover and she found it absolutely hilarious. Probably going to collect the whole set.

This is an enjoyable little book in so many ways. The recipes are interesting and the writing doesn't insult one's intelligence. I am debating on having it out at my next party. While it would be fun to mix everyone's favorite drink, I worry that it would disappear before the night is over. This is going to be in several people's Christmas stocking.

I got this as a gift for a friend. A fun book for a lover of literature, puns, and alcoholic drinks.

This book was a gift for my niece whom actually loves To Kill A Mockingbird. This was a great book with the pun on her favorite book.

Fun little book. Bought it for a college graduation gift for a friend. They loved it!!!
