Islam & Muslims In The Post-9/11 America

Synopsis

The book deals with the post 9/11 challenges and dilemmas faced by the seven-million strong American Muslim community in the aftermath of the 9/11 ghastly tragedy. This study also concentrates on the American Muslim response to the post-9/11 situation when their civil rights have been abridged, their faith is under constant attack and they are virtually treated as second class citizens. After the Japanese attack on the Pearl Harbor, more than 110,000 Japanese Americans on the West Coast were imprisoned in 10 relocation camps in the United States. But after 9/11, the whole country is converted into a virtual detention camp for the Muslims in America by abridging their civil rights.
