# Time Of Wonder (Picture Puffins)

## Synopsis

Winner of the ã Caldecott Medal! For fans of *Blueberries for Sal*, *One Morning in Maine*, and *Make way for Ducklings*. "Out on the islands that poke their rocky shores above the waters of Penobscot Bay, you can watch the time of the world go by, from minute to minute, hour to hour, from day to day . . ." So begins this classic story of one summer on a Maine island from the author of *One Morning in Maine* and *Blueberries for Sal*. The spell of rain, the gulls and a foggy morning, the excitement of sailing, the quiet of the night, the sudden terror of a hurricane, and, in the end, the peace of the island as the family packs up to leave are shown in poetic language and vibrant, evocative pictures.

Age Range: 3 and up

Grade Level: Preschool - 2

## Customer Reviews

Robert McCloskey (1914-2003) wrote and illustrated some of the most honored and enduring children's books ever published. He grew up in Hamilton, Ohio, and spent time in Boston, New York, and ultimately Maine, where he and his wife raised their two daughters. The first ever two-time Caldecott Medal winner, for *Make Way for Ducklings* and *Time of Wonder*, McCloskey was also awarded Caldecott Honors for *Blueberries for Sal*, *One Morning in Maine*, and *Journey Cake, Ho!* by Ruth Sawyer. ã He was declared a Living Legend by the Library of Congress in 2000. ã You

can see some of his best-loved characters immortalized as statues in Boston's Public Garden and Lentil Park in Hamilton, Ohio.

Cherished for his picture books, *Blueberries for Sal* and *Make Way for Ducklings*, McCloskey often wrote about the coast of Maine and the wonders of its shore and islands. Tracy Lord captures the wide-eyed delight of young children when they discover sea shells, flowers and wildlife. The short program could be further enjoyed with the book at hand as the narration is over too soon. R.F.W. Beautifully written and illustrated. I love books by Robert McCloskey. Gave me goosebumps.

A little old for my grandsons right now, but building a library for when they are older is great!

My granddaughter , Savannah already had this book in paperback but wanted hard back. She loves it.

Wonderful book and very good service.

One of the all time great children's books.

This was my favorite book as a child and its a pleasure to read it to my son. Every page is poetry - evoking the joy and sadness of the cycle of summertime by the sea...

A great classic!

Tranquil, wonderful.
