Customer Reviews

My husband was happy with the book.

This is a book of music for EXTREMELY ADVANCED VIOLINISTS. Anything less than perfection of bowing, fingering, pizzicato, double-stops, etc. will leave you fainted in a heap on the floor. The Paganini Caprices all 24 of them written by Paganini, perhaps the greatest violinist ever, for his own use. Each is fantastically difficult, and each is very different from the others. J.S. Bach's solo sonatas and Partitas are considered by rather good violinists like Jascha Heifets, Isaac Stern, etc. to be the ultimate pinnacle of violin performance! To advertise this book as for Intermediate level students is like saying I can ride a tricycle, therefore tomorrow I'm going to pilot an airliner. With superb teachers and a few years at a top Music School -- and many thousands of hours of practice, a few young people will be able to play this music effectively.

These pieces are not for the faint of heart. My son has played for five years, and every piece is

difficult for him.

son loved it

Bought for my daughter, she loves it! It's packed with many beautiful compositions by the most talented and great composers, a must have addition for all young orchestra violinists.

My daughter is self taught, and excels at these books, it is helping a lot.

This was a gift for my grandson who plays the violin. The only music he had was from school. In order to challenge him further in the music field, I purchased this and the Lord of Rings sheet music. This solo sheet music will help increase his self-confidence in playing as he really is good on the violin.
