ISBN-13: 978-1609002176

Product Dimensions: 8.8 x 11.8 x 11.8 inches

Shipping Weight: 2.4 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 22 customer reviews

Best Sellers Rank: #298,352 in Books (See Top 100 in Books) #29 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Needlepoint](#) #363 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Needlework](#)

## Customer Reviews

Leisure Arts is a leading publisher and distributor of "how-to" and lifestyle publications with emphasis on creative crafts, needlework, decorating, and entertaining.

Leisure Arts is located in Little Rock, AR.

Great pictures and well-written instructions. I agree with some of the other reviews that this isn't exactly a book for beginners. I adjusted the coaster project so that I only used one color and one stitch (tent and reverse tent) in order to get used to the process before trying to incorporate so many colors and so many different stitches in one tiny project. I also reduced the box size, intending to use it as a trinket box rather than a coaster box, which also helped as a beginner. I was afraid to pull the yarn too tight so I ended up making it too loose. My advice would be to pull it "taut" but not tight instead of leaving any slack. I had to pull everything back out a couple of times before I finally got it looking like the picture. All in all I think it's a great book, just adjust it for your level of experience.

I love the new stitches I can learn do.

Love it just what I needed

Love this book; more advanced stitches (still easy).

I've been wanting to learn plastic canvass crafting and this is just the book I need. I haven't made anything yet but I have gone through the book and the instructions and diagrams are very clear and easy to read. I like that the cover art is the same on both back and front except one shows only white objects and the other shows the same objects in colors.

I would like this book better if they showed you what it is too look like when you are finish. A real photo not a drawing. Then I would know if I got it right or at lest close to right. I really haven't used it at all. I find some of the directions hard to follow.

Taught me so well I sold them. This is the second time I've ordered this book, first one burned in a house fire. People love these coasters with boxes.

This is now my "go to" booklet for all the different stitches that will make my plastic canvas projects so lovely and interesting!
