Customer Reviews

This guide book does give you the highlights but I was hoping for something a little more detailed. I could have gleaned most of this information from a Corsica tourism web page. Still, it's nice to have it all in one place and not to have to go looking for it, and it does have some helpful tips. I'd actually give it 3 1/2 stars if I could.

as always, I love these travel books. If you don't know anything about a location you plan to visit, this is a great place to start.
